Christmas Advent Countdown - Paper Chain Links

Use this activity to encourage your kids to serve others during Christmas. Each “link” has an activity for the child to complete on their own or with the family.

Supplies:

- Print page one on green paper and page two on red paper - one set for each child.
- Cut strips apart and bundle each set with a paper clip, rubber band, or use a Ziplock bag.
- Provide tape to make each chain link.

Instructions:

- During class - distribute one set of strips to each child.
- Help children make a paper chain, alternating the colors of red and green.
- Encourage children to hang up their chains at home.
- Tear off one link each day.
- Complete the instructions until Christmas Day.
